LETTER FROM CAMPS BAY PA TO ALL PARENTS:

Dear Prep parents,

The PA would like to invite you to The Prep Parents social evening. An evening to meet other parents, have some snacks and get a snap shot into a CB Prep child's day.

WHEN: Monday 11th March from 17h30 until 18h30

WHERE: Prep school hall. Babysitting will be available.

We look forward to seeing you there. Warm regards, Camps Bay PA

KARRI APP:

As a school, we realise that making small payments for collections can be time-consuming and frustrating for you. Having to find the exact change needed, an envelope for the money and hoping that your child delivers it to their teacher is an inconvenience. Then there's the issue of diarising the event and keeping track of multiple school events within your busy work schedule.

We believe we have found the solution and we are excited to announce that we will be using a new payment application that will help alleviate these issues.

The application is called Karri (a Zulu word for small change). Karri is an innovative mobile payment application that allows you to make quick payments for school collections using your smartphone. Karri is powered by Nedbank but will work with any bank ensuring the safety and security of all information loaded onto the app.

See attached documents for more info.

WCED SYSTEMIC TEST RESULTS: WELL DONE!

I am very pleased to inform you that Camps Bay Primary excelled in the WCED systemic tests written by Grade 3 and Grade 6 last year. These tests are used as performance indicators by the WCED and as benchmarks at the end of each respective phase: Grade 3 at end of Foundation Phase, Grade 6 at the end of Intermediate Phase and Grade 9 at the end of the GET Phase. The results scored by the Grade 3 and 6 classes were excellent this year and I am particularly proud of the efforts of all the teachers (not only the grade 3 & 6 teachers) but all the teachers from Grades R to 6 that have laid the foundation for our children to excel. The WCED Circuit Manager commended the school on the excellent results!

The results are as follows:

Grade 3: Mathematics 89.7% and English 92.3% of children obtained the pass requirement of 50%. The Grade 3 class scored an average of 77.6% in Mathematics and an average of 72.1% in English language.

Well done to Mrs Visagie (Head of Academics), Gr R, Gr 1 & Gr 2 teachers, assistants and all the learners! You have made us proud and we will continue to "Strive for the Highest" academically in the classroom.

MYSCHOOL CARD:

This month we have raised R2254,51. Thank you and keep on swiping!

Best Wishes,

Linda Murray
