Dear Parents and Guardians,

We welcomed Mr Collier to our assembly on Monday and he was very impressed with the behaviour of all our children during a longer than usual assembly gathering.

We had a presentation on the important issue of **Water Safety**. Thank you to Nadine Borchardt (mum of Hannah Borchardt Gr 3), who is a NSRI volunteer worker. She shared tips with us of the things we need to remember when swimming in either pools, rivers, dams or the ocean.

We will be partaking in **World Read Aloud Day** on Thursday 16 Feb in class with our friends and teachers.

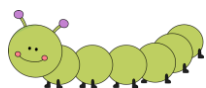

Thank you to Este Buchholz, her husband Walter and their son Erwin for entertaining us in assembly in a lead up to this event. The story, "The best sound in the World" written by SA author Niki Daly, can be downloaded on www.nalibali.org and is available in all 11 official SA languages.

We are helping to break the 2016 world record by reading aloud to more than 510 000 children!

GRADE 1 SWIMMING CANCELLED ON FRIDAY, 17TH FEBRUARY:

We have cancelled our Gr 1 swimming on Friday, 17th February because of the Gr 5 – Gr 7 Senior Inter-House gala taking place at the pool.

CATERPILLARS:

Our two caterpillars that are displayed in the school are racing forward trying to beat one another! The Green Caterpillar is the **Green Card** caterpillar that recognises all the good choices that the children make at school, in aftercare, at sport, at extra-murals, on outings etc. The multi coloured caterpillar is the **Reading Caterpillar** that children help grow by completing and handing in their reading caterpillar forms.

SGB BY-ELECTION:

Please take note of the attached letter from Mr Collier regarding the SGB (School Governing Body) By election scheduled for early in term 2 (*date to be confirmed*).

SCRIPTURE UNION:

Due to massive popularity, this class has grown to just under 50 children! We have relocated them to the school hall as from this **Friday 17th at 13h00** as they simply cannot manage in a classroom! Thank you to **Monkeynastix** Ms Nicky Bieshevel for willingly relocating to **Ms Bloemetje's Gr 2 class at 13h15**.

VALENTINE'S DAY:

We held our Term 1 Charity in the hall this morning when 2 six month old Guide Dog Puppies (brother and sister) in training visited our Valentine's Charity assembly. **THANK YOU** to all the girls and boys, teachers and staff, parents and guardians who contributed to this worthwhile charity.

We beat all previous records this year and handed over our bumper donation of over R2500!

9 HABITS OF PARENTS WHOSE KIDS THRIVE AT SCHOOL:

>>>Habit 3. **They Work At Their Relationship With Their Kids**

Let's face it - sometimes our children are difficult to manage. Still, successful parents will work to keep the parent-child relationship strong.

This has several benefits. Children and teens [will feel more comfortable and safe with a parent that they know they can talk openly to](#). Regular and healthy communication allows parents to see into their child's world, so that parents will be able to identify even faster when a problem arises. These parents can also offer praise and bolster self-esteem of their children who are working hard at school and in their lives.

Best Wishes,

Linda Murray
